

Dear families,

This choice board is for any days that Fulbright Elementary School is closed for any reason other than the scheduled days off (ie- Inclement weather, power outages, plumbing issues, etc.). You are NOT to do the entire choice board on the first day we are out. You only do one box per subject. You will have 5 days worth of work in case we are out for five days.

☺ PUT THE CHOICE BOARD IN A SAFE PLACE! ☺

The work is due 3 school days from the day we are out. The timeline is as followed:

If we are out Monday, the work is due Thursday.

If we are out Tuesday, the work is due Friday.

If we are out Wednesday, the work is due Monday.

If we are out Thursday, the work is due Tuesday.

If we are out Friday, the work is due Wednesday.

****This work will be graded. This days' worth of work counts toward the required amount of days your child is supposed to attend for the first grade. Please let us know if you have any questions or concerns.

Thanks,

First Grade Team
